## RU OK?™

A conversation could change a life.

It's hard in our busy lives and the fast-paced world that we live in to STOP and ask R U OK?

However, with so many heartbreaking stories of lives lost because they weren't ok. The R U OK day campaign is a good reminder to STOP, and ask, R U OK?

To champion the R U Ok Day campaign, the Community Resource Centre team wants you to drop in anytime on September the 9th between 8-10am to join us for a cuppa and piece of slice.

The Centre is a hub for activities and friendships. Be sure to pop in, have a chat and know that you are a valued community member.

The Centre is located on Ridley St at the entrance of the Show Grounds, next door to the St John Ambulance.

The R U OK website has a full range of resources including an interactive conversation roleplay video to help you learn what to say after R U OK.

To learn more about the R U OK Day campaign head to <https://www.ruok.org.au>.

## Shire of Harvey achieve Youth Strategy Goals by supporting grass roots organisations

For a number of years, the Brunswick Junction Community Resource Centre has applied for funding via the Shire of Harvey (SOH) annual budget submissions. To date, the Centre has been successful with its grant applications.

This funding goes a long way in ensuring the delivery of a safe and well-managed Youth Program for Brunswick. The funding covers the cost of a Youth Coordinator, an assistant and \$1,000 per term to cover the cost of snacks, equipment and supplies. The CRC contributes to the cost of the program in terms of insurances, venue overheads, administration and collaborative support for ad-hoc annual youth and family-focused activities; for example, Youth Week and Children's Week.

This year with the adoption of the SOH Youth Strategy Plan, the funding is helping the Shire to achieve its goals by supporting grassroots organisations to positively engage with youth, as well as providing the organisational tools and resources to promote and support youth beyond the organisation's core program.

For example;

4.1.1 Continue to provide financial and resource support to existing youth services.

2.2.1 Administer Youth Taskforce involving key stakeholders.

2.2.2 Advocate for youth support service delivery and outreach.

3.4.1 Promote school holiday programs delivered by Shire service Library, Recreation Centres and Community Development).

The biggest achievement for the Brunswick Youth Program so far has been the longevity of relationships that the Coordinators have been able to form with the town's young people. A noteworthy feature of each Coordinator has been their connection with the local schools attended by their children:

Karina with her three children Jacob, Mathew and Emma Sewell.

Jo with her three children Danni, Kiara and Holli Dalton.

Current coordinator, Phil with his three children.

The Brunswick Youth Program has always set out to achieve a positive engagement between adults and young people with the aim of promoting youth wellbeing, productivity and achievement.

The Youth Program is broken down into deliverable activities;

- Youth group for Primary School aged youth every Friday afternoon during the school term 3-5pm.
- Late Night for High School aged youth. This has been held every second Friday; however, due to a drop in attendance, this is currently under review.
- Ad-hoc youth and family activities e.g. basketball events or dance nights and holiday programs with the Shire.
- Annual Ad-hoc events e.g. Youth week and Children's week.

The Centre and Youth Program also advocates and supports programs that help shape our young people. For example, the Centre is a support agent for RYDE, which helps young people achieve their 50 supervised driving hours.

The 2020-2021 financial year saw a total of 1017 youth members and their families access the Brunswick Youth Program, which included; Youth group, Late Night, 3x dance nights, a Basket Ball event and additional funded events such as SOH school holiday activities, Drug aware mural workshops and launch, Youth week, Halloween Carnival and Outdoor movie night.

*Thank you to the Shire of Harvey, Lottery West, Department of Communities, Department of Primary Industries and Regional Development, Meerilinga and Healthway for allowing us to serve our local youth and families. BJCRC*

### Youth Participant quotes

## Wood Raffle and Sausage Sizzle.

On Saturday 24 July 2021, the Brunswick Men's Shed held a successful sausage sizzle and drawing of the winning ticket for their wood raffle which was held outside Brunswick Rural Agencies. The winning ticket of a load of wood was drawn by Jarrod Murphy from Brunswick Rural Agencies, and the winner was a lady named Rowena. Congratulations Rowena. The wood raffle and sausage sizzle raised over \$1000 for the Shed. The Brunswick Men's Shed would like to thank the following for their support of this event:

Jarrold and the team at Brunswick Rural Agencies for allowing the Brunswick Men's Shed to hold their sausage sizzle at Brunswick Rural Agencies.

Clinton and Greg from the Brunswick Tavern.

The Lions Club of Brunswick for the use of their BBQ trailer.

John and Yvonne at GDs Caltex Service Station.

The community of Brunswick for their support in buying tickets and for buying a sizzle on the day.

Also, thanks to Chris Rutter and Ted Hill for cooking up a storm on the Lions BBQ trailer and those members of the Shed who also assisted on the day.

## BMS AGM.

The Brunswick Men's Shed recently held their AGM with 18 members in attendance. Kim Hawkins stood down as Secretary after 3 years and did not recontest the position at the meeting.

A new Committee was elected for 2021-2022 with the following members taking up positions.

Will Forrest - President.

Kim Hawkins - Vice President.

Chris Rutter - Secretary.

Kate Bufton - Assistant secretary and Grants Officer.

Mike Kelly - Treasurer.

The Shed now has over 40 members and is open Tuesday, Thursday and Saturday 9am to noon, with a morning tea held each Thursday morning. If you are interested in having a look at the Shed and what the Shed is all about, come along and talk to members on the above days.

## Community Safety Top Priority

It's been about 6 months since WA Main Roads removed the parking bays from the front of the Post Office. The yellow lines and markings indicate that no stopping or parking is allowed in that area. They were removed to ensure everyone's safety. However, not everyone has been obeying the rules so some clever thinking by our very own Burgoyne's OutPost owners has resulted in the post box being shifted to a safer location. The post box is now more easily accessed from the adjacent post office carpark.

*Well done to Main Roads and Burgoyne's OutPost for making everyone's safety a priority.*

## Brunswick Town Hall Celebrates 85 years

The Town Hall building in Brunswick is turning 85 this year and a few local people have developed a plan for celebrating this momentous occasion.

From stories of bygone days, it is little surprise that there was much music, mischief and more as the townspeople enjoyed the facilities that the hall offered and continues to provide.

Stories that the four walls could tell have been procured from local sources and will be retold throughout the evening.

The evening includes a three-course meal and entertainment. Live performances with local musicians and singers. Tickets for the event are limited, so be sure to book and enjoy an evening out with friends. This event is BYO beverages.

## Tassie Tales

*It's been 5 weeks since arriving here in Tas, Boat Harbour Beach. The first couple of weeks were a challenge not having enough to do to feel sane.*

*However, I'm pleased to report that I have learnt to relax. My days are quiet, Holli and I home school while we wait on the outcome of the eTAS online learning application. The week usually includes baking a sweet treat to peck at during the day. With all the spare time I have, we have had a proper dinner, with vegetables every night since arriving.*

*With my cheap phone provider, I did not have phone reception for the first 4 weeks, that issue is now resolved. So, no more excuses to not look for work now that employers can get ahold of me.*

*The weekends are my favourite time, Andy is home from work, though on call if needed. We use this time to make the most of seeing the scenery. The downside everything feels miles away when travelling the windy, steep roads, my weak stomach is a continuous issue.*

*Hopefully, those with Facebook will show the photos of our outings with those who don't have Facebook? Missing WA's warmth in more ways than one, Jo xx*

*Myself and Holli on the top look out of Levon Canyon.*

*The legs hurt with all the stairs and up-hill walking.*

*Yes, it was Cold! in fact it hasn't reached over 12 degrees yet.*

MEDIA RELEASE, 3rd August 2021

Support for Child Care Service in the South West. Seven child care services in the South West will share in the Federal Governments Community Child Care Fund.

Federal Member for Forrest Nola Marino MP said, "This funding is critical in our South West local towns. In some circumstances this will keep the centre operating and in others will increase the number of children they can care for."

"If we can help improve or expand facilities, more families in regional areas can remain in work. We can also help create more local jobs and opportunities to remain working in the local area."

The seven local child care services to receive the funding are

- Annie's Angels Play and Development Centre in Harvey
- Nature Alliance Family Day Care in Dunsborough
- Treehouse Childcare Centre in Donnybrook
- Naturaliste Community Centre in Busselton
- YMCA in Home Child Care and Family Day Care in Busselton
- Capel Childcare Centre in Capel
- Free Range on Grange Early Learning Centre in Nannup

More information on the Community Child Care Fund can be found on the Department of Education, Skills and Employment website.

Spring has Sprung in Brunswick! And that means we are all looking forward to one special event - the Brunswick Show!

After the cancellation of last year's show due to Covid-19, it's all systems go for the volunteers at Brunswick Agricultural Society, who are hard at work with plans to stage a great 89th show on Saturday 23rd October. The "Celebrating Rural Transport" theme will feature throughout the showgrounds, with the cooking section calling for entries in the "Truckies' Pie" and "Decorated TRUCKS novelty cake" classes. The theme will also be featured in other sections including Floral Art, Children's Exhibits, Lego, Photography and more! And look out for the new Adult Lego Competition which is attracting a great deal of interest! Brunswick Agricultural Society president, Mark Talbot, says that this year's show will feature the best-ever displays of agricultural machinery and trade equipment. Local trucking business B & J Catalano will be kindly providing a giant sandpit where children can play, complete with Tonka toys! Thanks to WesTrac, older kids won't miss out, with the opportunity to drive a small excavator and view machinery at a showgrounds area which has been dubbed "Digger Park"!

President Mark says that the Grand Parade is shaping up to be the biggest so far, with some of the "Trac Mach crew" - whom locals know from the annual "Lights On The Hill" event - on board to lend a hand. Young people interested in agriculture can take part in the Ag Challenge, or can check out the stalls by Livestock & Rural Transport Association and also WA Farmers, which will both be showcasing careers in agriculture. There's excitement among fans of the popular television show "Outback Truckers", with confirmation received that well-known trucker Glen "Yogi" Kendall will be appearing at the show!

The Italian Sausage Competition will be judged on Thursday 21st October, with guest judges including Peter Gianfrancesco from Pete's Chop Shop in Treendale and Angie from Bunbury's Triple M Radio. Amateur brewers can enter the Craft Beer competition, which will be judged at The Rose Hotel Bunbury in the previous week. Thanks to The Rose, who are competition sponsors, the public can go along and enjoy a drink or two while seeing some top brewing judges in action. Winners of both the sausage and beer sections will be announced at a special event on the evening of 21st October, at the Harvey-Brunswick-Leschenault Football Clubrooms. All welcome!

President Mark advised The Moospaper that, following the success of last year's inaugural "Gymkhana", all horse events will again be held on the Sunday after the show. This popular event promises to be a great day out, continuing the show atmosphere over the weekend.

The 2021 Brunswick Show will be operating under Covid-safe practices as recommended, following restrictions in place at the time. On-line tickets will soon be available, giving show-goers the options of pre-purchasing or paying at the gate. Check out the upgraded and improved website, [brunswickshow.com.au](http://brunswickshow.com.au), for entry details and information! Or follow updates on the Brunswick Show Facebook page!

In other local news, it's time to wish The Moospaper a big Happy 20th Birthday! An immense thank you goes to all who have contributed to and supported The Moospaper over the last 20 years, with special thanks to those who originally began our local newsletter back in 2001! Plans are underway for a celebration before the year is over; watch this space for updates!

All are invited to join another special birthday celebration, to be held on Saturday 11th September, marking 85 years of our beautiful Brunswick Memorial Town Hall. Cost is \$40 per person, which includes dinner and entertainment, Bring Your Own Drinks. Tickets are available on the Trybooking website or by contacting Brunswick Community Resource Centre, phone 9726 1452. Let the Centre know if you have photos of the Hall which can be borrowed for the evening!

Football fans have been keeping a close eye on our local Harvey-Brunswick-Leschenault teams in the lead-up to the grand final, to be held at Hands Oval Bunbury on Sunday 19th September. At the time of press, HBL's league side was sitting at number three on the South-West Football League ladder, and Reserves sitting comfortably at number one with their eyes on the prize! The Colts were at number five, while the Women's team finished at number six after being eliminated in the final round. Well done Lions and good luck in the finals!

We've saved the best 'til last, with our last word this month going to all the wonderful fathers and father-figures out there! A big Thank You and Happy Father's Day to you all!

Don't you just LOVE Brunswick?!

## Shire of Harvey achieve Strategic Community Plan Objectives by supporting local organisation

Brunswick Junction Community Resource Centre is able to support the community 30 hours per week thanks to the financial support it receives from the Shire of Harvey and the Department of Primary Industries and Regional Development.

Since 2005 the Centre has applied for funding from the Shire of Harvey annual budget submission to support a paid administration library and operations role. In 2010 the Centre was lucky enough to secure funding to help complement the SOH funds where the Centre went from being open 1 day a week to 5.

So, in reality, it's taxpayers and ratepayers paying for the service that the Centre offers. The Centre is owned and managed by a volunteer board. You, as a community member, can join at any time and have your opinion heard if you think there is more the Centre could be going for you.

The Centre is fortunate in that it gets plenty of praise from users. The Centre is client-centric - people who come through the door are our priority. The Centre's personnel are public servants and ready to serve.

What does the Centre offer and how does it link to the Shires Strategic Community Plan objectives?

The role of the Centre is to support Business, Economic and Social development through:

### Access to free resources and support;

- Local, state and Federal government; Kids sport, hop on the bus, RYDE etc..
- Students and job seekers; TAFE, inductions, resumes and cover letters etc.
- Organisation/group, governance and grant support; Associations online, letter of support etc.
- Library and information services; book hire or exchange, what's on in the area etc.
- Scanning, limited emergency relief and Be Connected.

### Fee for service;

- Printing, binding and laminating
- Op-shop
- Food bank order and delivery depot

### Group access;

Playgroup, Crafty Chicks, Walking Group, Community Garden, Youth Group.

The Shires Community Plan objectives 2.1, 2.3, 2.5, 2.6 and 2.7 all align with the shire financially supporting the Centre to deliver grassroots service;

- People are supported through all stages of life.
- Active and resilient community groups and volunteers.
- Equity for all people.
- The creative talent and cultural diversity of the community is recognised, supported and celebrated.
- An active and healthy community.

The 2020-2021 financial year saw a total of 1913 individuals access the Brunswick Community library centre facilities which included; book loans/exchange, printing/photocopying, wifi, jobseeker support, scanning, general enquiries, government service access, secretarial services, book club and Be Connected.

*Thank to the Shire of Harvey and Department of Primary Industries and Regional Development for allowing us to serve out local community. BJCRC*

Stories from another corner of the world

We have a special overseas contributor who wants to share stories from their life. We will be publishing these stories throughout the year.

If you have memories you would like to share send them to [moospaper@gmail.com](mailto:moospaper@gmail.com).

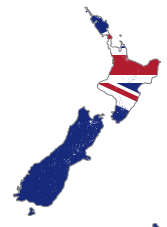

.....and he SCORES!!!!

This is the story of the pinnacle of my sporting career. One of the first moves of the new Labour government voted in in England after the end of the Second World War was to make sport compulsory at all schools. At my school Wednesday afternoons were chosen for this and in the winter the choices were Rugby or Rugby. The result in my case was a collection of thirty boys roughly half of whom did not want to be there (including me) and the other half who although keen were too unfit or inept to get into a real team and in the charge of a master who had never played Rugby and had very little grasp of the rules. Several of us developed a system of appearing to chase the ball without every actually reaching it and never being in the right place to get involved in any serious action. On the occasion that is the subject of this chapter things went tragically wrong and one of my fellow slackers received the ball in the middle of the field, he panicked and promptly passed it to me.

All the other slackers were, well, slacking and none of the keener types on my side were close by so I had no option but to set off for the try line. Opposition keen types were mostly behind me and headed in my direction so I was well motivated to get a move on.

Being fairly tall even then I could stay ahead and the only threat was the opposition full-back, a keen type, who came screaming across the field to intercept. Just as we were about to collide I stopped and he went floundering across in front of me. Before he could turn I set off again more concerned with not getting dumped by the pack chasing me than anything else and soon crossed the line to ground the ball for a magnificent try. As was the custom the captain offered me the opportunity to kick the conversion but I declined feeling that I had touched the ball quite enough for one day.

Please be circumspect with any further distribution of this story as I now live in New Zealand and should it come to the notice of the New Zealand Rugby authorities or All Black management my residency might be in danger, Rugby being a religion in New Zealand.

## LES MISÉRABLES

Local Brunswick talent Ben Talbot hitting the BREC Stage!

Following the outstanding success of The Phantom of the Opera in 2018, the South West Opera Company (Inc.) (SWOC) and the Bunbury Regional Entertainment Centre (BREC) are proud to work together once again to present a new production of the world-wide phenomenon, Boublil and Schönberg's Les Misérables at BREC this September.

The 70+ South West cast and crew are excited to bring this timeless classic to a new generation. The production also features a live orchestra of local professional musicians under the musical direction of SWOC's Marguerite Monagle.

Set in 19th century France. This epic and uplifting story tells of adversity, redemption, sacrifice, passion, greed, justice, unrequited love and broken dreams. A timeless testament to the survival of the human spirit, Les Misérables has become one the most celebrated and recognised musicals in theatrical history.

When asked why the company chose to present a theatrical production during such challenging times, SWOC Producer, Nerida Mangano commented that "yes, it is a risk but we believe the people of the South West are ready to get out and enjoy some high quality live entertainment again". "The show has something for everyone and the talent of the people who have been giving their all in rehearsals for the past couple of months must be seen - please come and support them, you won't be disappointed".

Victor Hugo's novel Les Misérables sets the scene and the story for this enduringly popular show, but it is Boublil's captivating music, with Kretzmer's remarkable lyrics that make this a truly great musical. Come and hear it all performed by South West talent, including I Dreamed A Dream, On My Own, Stars, Bring Him Home, One Day More, and Do You Hear the People Sing.

Among the talent is Brunswick local Ben Talbot who has been cast as the lead character Jean Val Jean. Having been in all 3 of the SWOC productions, Talbot said he is now fulfilling a childhood dream which is playing the role of Jean Val Jean. "I am excited to be a part of Les Miserables as it is easily one of the best shows on the planet and has been for over 30 years." "It will be one not to miss, as a cast we have poured our heart and soul into this and will deliver something spectacular!!

Les Misérables will be at BREC performing 6 shows from 11 September to 18 September. For more information or to book tickets visit [bunburyentertainment.com](http://bunburyentertainment.com) or call 1300 661 272.

## Artisan Like No Other

The new Aftermath Gallery in Brunswick is not like anything you've seen before. Artist and Curator Nikki Powell has been an artist working in fields such as Theatre, Film and Book illustration for over 30 years.

The Gallery came after Nikki moved from Perth to the southwest to be closer to family and needing a studio space to continue her work. Nikkis eclectic Art is joined by several other 'Alternative' artists whose work would not ordinarily be featured by mainstream Galleries.

They have a hugely diverse range of work from Jewellery, Paintings, Dolls and woodwork, to Dead Fairies, Carnival Hats, Drinks cabinets and antique books. With a distinctly Gothic feel, this little shop might not be for everyone but everyone will know someone who will LOVE it.

## SHIRE COUNCIL ELECTIONS

Brunswick residents are being encouraged to vote in the local government elections, to be held on Saturday, 16 October 2021. These elections are held on the third Saturday in October, every two years

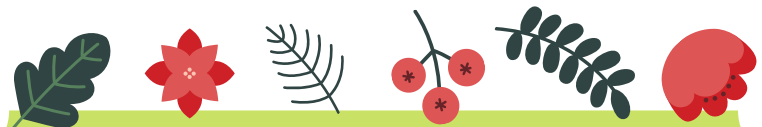

The Shire of Harvey will use postal voting, with voting packages to be mailed to all eligible electors. Packages include a list of candidates, ballot papers, instructions on how to vote, a declaration and a reply-paid envelope.

While voting is not compulsory, electors are encouraged to vote and have their say on who will represent the local community. Nominations are now open for prospective candidates who are interested in running for council, with nominations closing on 9 September.

Visit [www.harvey.wa.gov.au](http://www.harvey.wa.gov.au) for more information on nominations and on voting in the elections.
